

Spring Coffee Morning: 27.03.18

We had our Spring Coffee Morning on Tuesday 27th March 2018.

There were a number of activities including: music shakers, making Easter cards and planting Easter pots.

The children had been working on a performance during their Drama sessions this term which they performed for us all. It was **FANTASTIC!**

These coffee mornings are a great opportunity for parents, pupils and staff to catch up and share some of the great things the children have achieved over the term.

We hope to see you all at the Summer one next term!
